

INTERNAL/EXTERNAL POSTING

OUTPATIENT SERVICES SUPERVISOR [Personal Independence Center Location]

VACANT POSITION AVAILABLE: Outpatient Services Supervisor

MINIMUM REQUIREMENTS: Full Michigan licensure as a Master's social worker preferred; consideration will be given to LPC candidates. A minimum of three years post-degree clinical experience specifically providing treatment to adults, children, adolescents and their families. Previous supervisory experience in a mental health setting is preferred. Must possess substance use certification or have an established development plan through MCBAP. Must be able to effectively communicate in verbal and written form. Willingness to work flexible hours is desirable. Valid driver's license and automobile insurance are required.

MAJOR RESPONSIBILITIES: Responsible for providing leadership, supervision and clinical oversight to the Outpatient program and staff. Responsible for all day-to-day operational tasks, as well as, planning, evaluating and implementing program revisions as needed. Performs a variety of administrative and managerial tasks in addition to clinical oversight, including budget oversight, human resource responsibilities, program level utilization management and compliance activities. Provides direct services to consumers receiving services. Provides emergency services during and after regular office hours and provides assistance and consultation as necessary. Demonstrates knowledge of and actively supports culturally competent, recovery-based practices.

POSITION TYPE: Full Time

RATE OF PAY: Contact Human Resources
