

Registered Dietitian

Position Type: Part Time; Day Shift; Contractual; 15-20 hours per month

The Registered Dietitian provides professional and comprehensive care within the scope of agency services. This position is responsible for completing nutritional assessments, recommending course of treatment and providing services to meet ongoing dietary needs of individuals within the behavioral healthcare setting through the person-centered-planning process (PCP) for adults and children.

Job Requirements:

- In possession of a Master's degree in human nutrition, public health, or a health-related field with an emphasis on nutrition, and one year of pediatric nutrition experience in providing nutrition assessment, education and counseling.
- Insurance
- Driver's License
- Liability Insurance

Knowledge, Skills, and Abilities:

Experience working with individuals with developmental disabilities preferred.

Ability to use tact and diplomacy and relate to individuals from all social, economic and cultural backgrounds.

Ability to exercise independent and mature judgment.

Ability to maintain appropriate professional boundaries.

Clinical awareness and sensitivity, including belief that individuals with development disabilities and mental illness can be meaningful participants in our community.

Knowledge related to special issues surrounding children diagnosed with Autism Spectrum Disorder.

Excellent communication skills; verbal and written.

Why work for TBHS?

- Challenging and rewarding work environment
- Work-life balance through flexible schedules
