

About Us....

Social "U" is a 501(c)3 non-profit group that was specifically created to provide a social outlet for adults with intellectual/developmental disabilities in the Tuscola County area. Our first meeting was held in May of 2015 and had 32 members attend, since that date our membership has grown to over 90 members. At least once a month our amazing group gets together to celebrate a different theme - we have dances, game nights, ice cream socials, carnivals and our own version of the Olympics along with many other fun themes. The group has also gone on special outings: we have attended a Loon's baseball game, visited an orchard, bowling and been in parades to name a few. Our group also believes in "giving back", at least once a year we do a "community give back" project. Some of the recipients of our give back projects are residents at the TGMGF, local veterans, and most recently we adopted a highway.

Who We Serve.....

Our group serves those with developmental or intellectual disabilities once they have aged out of the educational system. Our members are typically age 26 and older. Members may be younger than 26 if they are no longer enrolled in an educational setting. The group was created to give this group of individuals a social outlet once they have "aged" out of the educational setting.

Our Meetings.....

Our meetings are very informal and fun. We start out with our members getting to share with the group what they have been up to, are looking forward to, or any other special story.... the floor is theirs!! We also take time to acknowledge birthdays for the month and any special occasions coming up. After everyone has had their chance to "share" we do some sort of group activity and then have a light meal or snack. Whatever we do, it is fun!

Where We Meet.....

Our meetings are typically from 6:00-7:30 at the Tech Center in Garo. Although in the summer months we take advantage of the warm weather and meet at the park so we can enjoy the sunshine. We do not provide transportation to the meetings. We appreciate members being dropped off and picked up timely.

What Our Members Say...

- I love seeing my old friends and meeting new friends at Social "U".
- I can't wait til we meet again at Social "U".
- Social "U" is the best place to be with your friends.
- Social "U" is a place I can just be myself.
- I love Social "U" meetings and also my friends at Social "U".

More Info..

We ask all members to contribute \$2 dues per meeting to help cover cost of food, supplies, games, prizes, etc.

Family and/or caregivers are welcome to stay for meetings if necessary for the care of the member, or simply if they wish to join in the fun. They are also asked to contribute \$2 to help cover costs.

There may be extra cost for special outings.

We can always use volunteers!

We are a non-profit group so any donations are GREATLY appreciated.

Our members are AMAZING!

Social "U" Mission Statement

It is our mission to assist all individuals with disabilities in their journey toward a richer and fuller quality of life by providing recreational and social activities.

Our Vision, Our Future

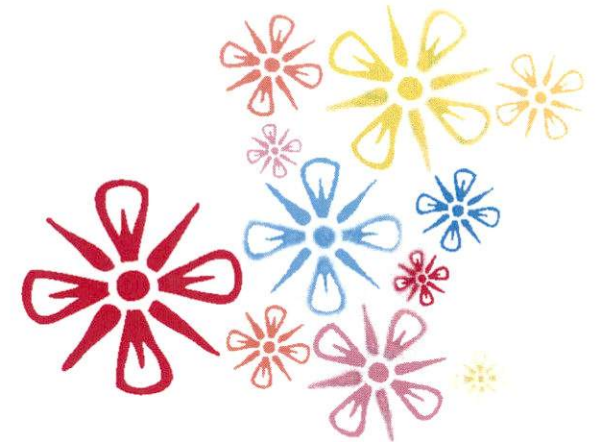

Our vision is to grow and reach as many individuals that need a social outlet as possible within Tuscola and surrounding counties.

Keep Calm & Be Amazing
